Legislative Counsel's Office
Central Intelligence Agency
Washington, D.C., 22050

Dear Lyle:

Pursuant to our conversation today, I am enclosing a copy of my resume. I would be interested in a CIA appointment to a position which offers challenge and responsibility.

In collection or evaluation of intelligence, in planning or implementing complex programs, in liaison, inspection or personnel services, I believe I could provide useful managerial skills to your Agency. My previous employments should amply demonstrate a record of dedication, discretion, adaptability and accomplishment.

Although I recognize your Agency is not in the competitive service, for information the Civil Service Commission has placed my name on the GS-15 eligibility list.

Thank you for your offer to refer this to the appropriate official. I would be grateful for advice if a position is available in which my qualifications would seem to be of value. If an interview or execution of forms is desired, I will be pleased to comply.

With best regards,

Sincerely,

STATINTL
